Wendy Toyer, Chair  
ALS Society of BC – PROJECT HOPE  
C/O 2404 Parveen Place  
Nanaimo, BC V9T 0G2

Dear Wendy Toyer,

**Re: Letter of Support for ALS Society of BC – PROJECT HOPE**

At the Regular Council meeting of January 20, 2025, Council for the City of Nanaimo, Province of British Columbia unanimously passed a motion to provide a letter of support to the Amyotrophic Lateral Sclerosis (ALS) Society of BC regarding PROJECT HOPE.

The City of Nanaimo appreciates the services provided by the ALS Society of BC to support ALS patients and family members to meet the physical and emotional needs of those living with ALS and their caregivers. The City further supports their efforts to enhance clinical care and to promote advanced ALS research and treatment innovations at the University of British Columbia (UBC) under the leadership of Dr. Erik Pioro, ALS Society of BC Professorship. We share the vision of creating a world class ALS Centre at UBC.

The work being done by the ALS Society of BC through PROJECT HOPE is not only crucial for individuals and their families affected by ALS, but it also represents a significant step forward in the fight against this devastating disease.

The City of Nanaimo is proud to support this exciting initiative.

Sincerely,

LEONARD KROG, Mayor  
City of Nanaimo
